

**REMARKS**

This communication is a full and timely response to the Notice of Non-Compliant Amendment dated August 21, 2007.

In this response, Applicant identified claims 1 and 4 as "Previously presented" and claims 2, 3, 7, 14 – 16 and 25 – 32 as "Canceled" as required by the Notice, even though Applicants do not believe that the submission of this paper is necessary, because the "CLAIMS" objected to by the Notice is English language translation of the claim part of the Annexes to the International Preliminary Examination Report under PCT Article 36 (35 U.S.C. 371(c)(4)). No new matter has been entered.

Cancellation of claims 2, 3, 7, 14 – 16 and 25 – 32 has been made without prejudice or disclaimer of the underlying subject matter. All remaining claims are believed to be in condition for allowance.

Dated: August 27, 2007

Respectfully submitted,

By
